CHAMBERS

INVITATIONAL

A premium golf tournament for legal professionals and business leaders —
in support of SickKids Hospital.

AUGUST 19, 2026 · EAGLES NEST GOLF CLUB · MAPLE, ONTARIO

Not your average *charity scramble*.

The Chambers Invitational is built for players who love the game — real competition, a premium experience, and a cause that makes every shot count. A day designed to bring the right people together.

SickKids *Hospital.*

The Chambers Invitational exists because of SickKids — one of the world's leading paediatric health centres, right here in Toronto, treating the most complex childhood illnesses and injuries in the country.

Every dollar raised goes directly to the SickKids Foundation. When you partner with the Invitational, you're helping fund the research and care that change — and save — children's lives. Title and presenting partners are recognized in the cheque presentation at dinner.

Bringing the right people together.

The field brings together lawyers, general counsel, founders, and business leaders for a day of golf — an invitation-driven group, and a relaxed setting to spend real time with people who are worth knowing.

It has earned a national reputation as a tournament-calibre venue that rewards both ball-striking and strategy — and delivers a setting players remember.
